

# Sussex County Technical School Class of 2024

October 5, 2023

Hello Parents and Guardians,

CONGRATULATIONS! We have made it to Senior Year! These next several months will go by quickly! Before you know it, it will be June 2024!

At the beginning of Freshman year parents are asked to form a committee (PG2024) within the PTA to work on fundraising and planning for our students for their Project Graduation. Project Graduation is a FREE event held on the evening of graduation for all Graduating Seniors. It's Drug and Alcohol-Free, it is chaperoned by parents. This is a night of celebration and lasting memories for our students. Past celebrations have included DJ, Photos, Caricatures, Casino Rooms, and activities.

Over the past 3 years, your PG2024 committee has worked hard to fundraise through our Tricky Tray, Clothing Drive, Concession Stand, and Dine to Donates to name a few. We have raised a decent amount of money. However, in order to have the event that we would like to do more fundraising and or donations are needed. Our goal/plan for Project Graduation is an all-night River Cruise Up and Down the Hudson/East River with DJ, Caricatures, Photos, Casino Room and food. We would leave out of Liberty State Park, JC, NJ.

If you have ideas for Fundraising or Dine to Donates, please contact us.

If fundraising isn't your thing and you would like to make a monetary donation that would greatly be appreciated! With the funds that we have raised to date the approximate short fall cost per student is \$130.00

If you work for a company that is looking to support/donate to a non-profit organization, please consider your students PG2024 Event! We are a non-profit (501)c and can supply a tax-exempt number if needed for any donations.

If you have a Project Graduation idea that you want to share, please contact us.

There is a lot of planning that goes into this event. With planning also comes expenses. We are currently in the process of looking into Venues to see what our options are for June 2024.

In order to make all this possible we are hoping to raise an additional \$10K by February 2024.

We look forward to hearing from you. If you would like to come and participate in the planning, we meet right after a short PTA mtg on the first Monday of each month at 7pm in the school library.

Our next Senior PG meeting will be Monday, Nov 6<sup>th</sup> in the Library after 7 pm PTA meeting.
