September 6, 2022

JOIN NOW OR RENEW YOUR PTA MEMBERSHIP!

Join or renew your membership with the Sussex Tech PTA and you will also become a member of the New Jersey PTA and the National PTA! Today's PTA is a dedicated, powerful, and connected network of 5 million parents, teachers, students, and community leaders making a difference in the education, health, and safety of America's children.

The PTA sponsors Project Graduation which is an all-night social event following graduation that promotes a safe environment for the graduates. Our Project Graduation committees meet every month immediately after our meetings. Come to our first PTA meeting on October 3, 2022, and we will have everything you need to get involved. Print out the membership form, fill it out, and mail it to us at the address above with your check for \$7 per member. You can also fill out the form and send your form and check in with your child in an envelope addressed to the PTA. The PTA is a great way to get grandparents, aunts and uncles, and friends involved, and it is only \$7 per member. If you want a quick way to pay your dues online, just use the link below to use PayPal (or a credit/debit card) to pay the membership fee. If you have questions, email president@sctspta.org with your contact information and the best time to call.

We look forward to your involvement this year!

PAY YOUR DUES QUICKLY AND EASILY ONLINE! USE YOUR BROWSER TO GO TO
