

Sussex County Technical School

Daily Bulletin February 13, 2024

- February is CTE month. CTE Fact: CTE is the answer to the nation's projected deficit of 6.5 million skilled workers including infrastructure, health care and manufacturing workforce shortages. Please stop by the CTE bulletin board by Junior Cosmo to see what our graduates are doing.
- February is Black History Month. The history department would like to provide you with the following fact: Computer scientist and engineer Mark Dean is a co-inventor of IBM's original personal computer, and the PC color monitor, changing the face of technology. He also co-created the technology that enables printers, keyboards, disk drives and monitors to be plugged directly into computers.
- Attention Mathletes! The math league contest is today in room 209 during periods 3, 6 or 7. Don't miss out on this epic clash of minds! Hope to see you there, regardless of experience level. Everyone is welcome to join the fun and challenge themselves. (2/13)
- The deadline to order yearbooks has been extended until this Friday. This will be the last extension. Yearbooks must be pre-ordered online to guarantee a book in June. Visit jostensyearbooks.com to order. Seniors wishing to use shares must purchase online first and then bring their receipt to their class advisors for reimbursement. (2/16)
- Attention all students! It's that time of year again. NHS' annual Stuff the Bus Food Drive homeroom competition to benefit the local Sussex County Social Services Food Pantry is on! Bring donated items to your homeroom between January 2nd and March 7th. The homeroom with the most items will receive a bagel breakfast! (3/7)

Thank you and have a nice day!
