

April 2023 Senior Scholar Athlete

Mohamed Fofanah

SPORT: Track & Field

CURRENT GPA: 3.97

MAJOR: Engineering

HOMETOWN: Hopatcong

Mohamed has been a member of the winter track and field team for the last three years. He has shown an excellent work ethic and proven to be one of the hardest workers on the team. Mohamed manages to play a major role on the track team while still keeping up with his stressful Engineering school schedule.

After graduation from Sussex Tech, Mohamed plans on attending college in Alabama for Engineering, where he will surely excel.

Mohamed has become one of the leaders on the male track team and an athlete the other teammates can look up to. He competes in the 400 Intermediate Hurdles, 110 High Hurdles, Long Jump and Triple Jump. He has natural talent and can competitively run anything on the track.

Last season was very successful for Mohamed. He advanced to the group meet placing in the top 6 at the state sectional meet and ended the season as the teams' top point scorer. Mohamed is having an excellent season so far and will undoubtedly finish on a high note.
