

Underclass Portrait Guidelines And Instructions

Dear Students,

Rod Bolten Photography, the official school photographer will be photographing your underclass portraits. You are not obligated to purchase photos; however, you must be photographed in order to be in your yearbook & for your photo ID card.

**All photos will be taken in school
at your designated time
provided by the school.**

We will be doing online proofs for all students. This will avoid any paperwork prior to photos.

- **Students will receive a unique QR Code at school prior to taking their portrait to matchup data information with student.**
- **Once all the images are uploaded you will receive a personalized email confirming that your online gallery is ready to view.**
- **All Package and price information will be available online once you log in to your gallery.**

Thank you,
Rod Bolten Photography

If you have any questions regarding your underclass portraits please, email us at
