Eliot Griner has been a four-year starter for us and is now a Senior Captain. Eliot is the epitome of a team player. He does what is necessary to win games. Eliot is not someone who cares about scoring; if we need him to take on other roles, he rises to the occasion.

Eliot is an impressive scorer but has taken on a new role controlling our offense and guarding some of the team's best offensive players. He is averaging 5 points per game, 3 rebounds per game, 2 assists, and 1 steal per game.

Eliot's relentless work ethic has become infectious, inspiring his teammates to invest the extra effort needed for success. His commitment to improvement not only enhances his own performance but sets a standard for the entire team, fostering an environment where everyone is motivated to give their best.

Eliot is a true pleasure to coach, and I'm honored to nominate him. He will continue to lead our team to great success this season!
