June 17, 2021

Dear Parents,

Our district has been selected to participate in a statewide survey being conducted by the New Jersey Department of Education, Office of Special Education. The survey is being sent to you as part of a statewide effort to collect information that will allow the New Jersey Department of Education to enhance special education programs, services and supports and to improve results for children and families.

During **August of this year**, you will be receiving a survey in the mail from the New Jersey Department of Education, Office of Special Education. When you receive the survey, we strongly encourage you to complete and return it as soon as possible in the pre-paid self-addressed envelope. The return envelope is addressed to a private agency that will scan and summarize the information on each survey. There is also an option to complete the survey online and a code is provided for you to do the online survey. Your survey responses will remain confidential; you do not need to put your name or the name of your child on the survey.

This survey will provide important information to further efforts on behalf of families and students with disabilities. We thank you in advance for your support.

Yours sincerely,

Kathleen Finley
