

## Food Pantry Sign-Up

Welcome! The Student Center is pleased to once again be offering their Food Share Program in collaboration with The Weekend Bag Program and the Sussex County Food Pantry.

We know that families are struggling to take care of their needs and we try to assist in taking a small bit of expense off your shoulders in the form of weekly food shares. It is our hope that it frees up your budget a little so you can take care of the multitude of other needs your family has.

You have the option of having your student take grocery items home on the bus (or their car, if they drive) or a parent picking it up in room 405. Food shares are typically available between 8:15 AM and 4:45 PM on Thursdays and Fridays and you will receive an email notification that the shares are ready.

If you feel you could benefit from this program, please sign up below.  
Your information is confidential.
